- Experience Modes** combine different vehicle functions in the car's interior. For example, the selection of a mode harmonizes the ambient light and seat climate control.
- Caring Car** consists of either the “Revitalize” or “Relax” programs, each 3 minutes in duration, which adjust ambient lighting, interior temperature, play appropriate music, and more.
- Automate My Habits** learns your preferences and automatically adjusts comfort functions.
- Use “Hello BMW as wake word”** allows you to request the BMW Intelligent Personal Assistant simply by saying “Hello BMW”.
- Control Climate and Seat Heating** by requesting that the BMW Intelligent Personal Assistant adjusts interior temperature or intensity of seat heating.
- Set Ambient Light** allows you to request that the BMW Intelligent Personal Assistant adjust the ambient light settings.
- Valet Mode** allows you to lock the Control Display and iDrive, for example, when your vehicle is given to a valet.
