

TERMS AND CONDITIONS

1. BMW Assist Services. BMW will provide, through its authorized service providers, emergency call, remote services, concierge and infotainment services offered in the applicable Service Plans ("BMW Assist Services"). A description of the BMW Assist Services appears in your vehicle's owner's manual, at www.bmwassist.com and provided by the BMW Assist Response Center upon request. BMW reserves the right, without prior notice, to add, change or delete services included in the BMW Assist Service Plan. BMW may also withhold Services, or may use the Services to locate the vehicle, as BMW deems reasonable in accordance with the terms and conditions hereunder. You agree that BMW through its authorized service providers may contact you by voice call at the telephone number(s) that you provide or email, regarding matters related to your BMW Assist Service including through the use of an automatic telephone dialing system or a prerecorded voice. You also agree to notify BMW promptly if your telephone number(s) change(s).

2. Wireless Services. BMW Assist Services use commercial mobile wireless services purchased from one or more third party providers (the "Underlying Wireless Carrier"). This agreement does not give you any rights against the Underlying Wireless Carrier selected for the BMW Assist Services. The Underlying Wireless Carrier is, however, an intended third party beneficiary of the protections of this agreement.

3. Service Limitations. The BMW Assist Services are provided by BMW using an embedded telematics device installed in your vehicle (the "telematics control unit"), which receives global positioning satellite (GPS) signals and communicates with the response center via wireless and landline communications networks. The telematics control unit is not intended to place or receive personal calls and may only place calls to our service providers as permitted under this agreement. The availability and use of BMW Assist Services are subject to many limitations, including the following: (a) Services are available only if you have completed the BMW Assist subscriber agreement and the BMW Assist Response Center has received the agreement; (b) Services are available only if your vehicle ignition is on (except for Stolen Vehicle Recovery and Door Unlock), and your vehicle battery is charged and connected; (c) Services are available only within the 50 United States, Canada and Puerto Rico; (d) Services are available only when your vehicle's telematics control unit is in range of a transmission site of the Underlying Wireless Carrier, or a transmission site of another company that has agreed to carry its calls, and there is sufficient network capacity at that moment; (e) Services will not be available if the wireless network requires the use of PIN codes; (f) Services may be impaired by landline and wireless communications problems caused by atmospheric or topographical conditions, busy cells, capacity limitations, equipment problems, equipment maintenance, and other factors and conditions; (g) There are places, particularly in remote areas, with no service at all from the Underlying Wireless Carrier; (h) Services may be affected by inherent limitations of your vehicle's electrical system and architecture, or if any of the components of your vehicle's telematics control unit have been damaged or are defective; (i) Services are not available if the GPS system is not working (map CD or DVD may be required) or the signals are obstructed; (j) Certain programming limitations of the GPS system may impair our ability to determine your vehicle's precise location; (k) Services may be limited to geographic areas where map data and emergency (911) contact information is available in our databases, which may be less than that which is otherwise generally available; and (l) Services may be limited based on the information provided from third party service providers; and (m) Your vehicle's telematics control unit uses digital cellular telephone signals. If the Underlying Wireless Carrier or BMW terminates or restricts digital service, the BMW Assist Services may not be available.

4. Terminating or Transferring BMW Assist Services. You or a subsequent owner of your vehicle may terminate your account for BMW Assist Services to your vehicle, upon written notice to BMW at the address referenced in paragraph 19 below. If you sell your vehicle during the initial Service period BMW Assist E-Call and Teleservice transfers to the new owner. If you have prepaid for optional services and sell your vehicle or decide to cancel your service, you may apply for a pro-rated refund. You may not transfer the prepayment to a new owner of your vehicle. If you sell your vehicle or would like to terminate your account, please cancel your service by notifying BMW Assist Customer Care at (888) 333-6118.

5. Your Duties. You agree to: (a) be fully responsible for the protection of your password; (b) use the emergency and roadside BMW Assist Services only for actual emergencies and roadside assistance needs; (c) follow the instructions for use of your vehicle's telematics control unit and the BMW Assist Services; (d) accurately furnish all contact and other information requested by BMW and notify BMW immediately of any change in the information or in the ownership of your vehicle; (e) accurately and truthfully report information to BMW (e.g., when using eCall or Stolen Vehicle Tracking services); (f) properly maintain your vehicle and the telematics control unit; (g) not use the BMW Assist Services in violation of any laws or for any unlawful or abusive purpose; (h) not use the BMW Assist Services in any manner unintended by BMW, the service providers, or the Underlying Wireless Carrier; (i) not use the BMW Assist Services in any manner that could harm BMW, its service providers, the Underlying Wireless Carrier or any other person; (j) use the map routing and traffic information, concierge and all other content included in the BMW Assist Services only for your own personal use and not resell, retransmit or modify the information and content; and (k) comply with any other reasonable requirements or restrictions requested or imposed by BMW or the Underlying Wireless Carrier.

6. Service Duration and Waiver of Services. The initial term of this agreement are the BMW Paid and Customer Paid Periods specified on the front on this agreement. Thereafter, a choice of renewal terms is available. Please contact BMW Assist Customer Care at (888) 333-6118 for details by calling BMW Assist Customer Care at (888) 333-6118. You will need your password to cancel service. You can choose to Waive all services. This includes eCall & Teleservice, as well as WiFi Hotspot if your vehicle is so equipped. If you choose to Waive services and have an active Data Plan for your in-vehicle Wifi Hotspot in place with the Underlying Wireless Carrier, you must first cancel your Data plan with the Wireless Carrier in order to Waive services. Until such cancellation is done, although by waiving you will not have access to the BMW Assist Services, your Waiver cannot be fully completed to the extent that your vehicle will still have the ability to register and connect to the cellular network.⁷**Subscription Fee.** The subscription fee for the Service Plan or renewal you have selected is payable in advance of the service term. The subscription fee is refundable as described in section four (4) of the terms and conditions of this agreement. By providing your credit card information, you authorize our service provider, on behalf of BMW, to charge your account for all fees, taxes and other amounts due under this agreement.

7. Taxes and Other Charges. You are responsible for and agree to pay all sales and telecommunications taxes, and all other taxes, fees and charges imposed on you, BMW, the service provider, the Underlying Wireless Carrier or the telematics control unit manufacturer, in connection with the purchase and installation of the telematics control unit and the provision and use of the BMW Assist Services. The taxes, fees and charges will be added to your bill.

8. Modification to Agreement. BMW may modify these Terms and Conditions by giving you notice or by asking you to read and accept a new version of the Terms and Conditions. We may give you notice by posting a new version of the Agreement at www.bmwassist.com. If you do not agree with any modification, then you may not use the BMW Assist Services. Your continued access or use of the BMW Assist Services after our notice indicates your acceptance to the modified Terms and Conditions.

9. Termination or Modification for Excessive Use. If BMW determines that your usage of the BMW Assist Services is so excessive that it interferes or could interfere with BMW's ability to provide timely, high-quality BMW Assist services to its other subscribers, or if BMW determines that your usage constitutes a nuisance or is otherwise not consistent with the terms of this agreement, BMW may, at its discretion, suspend, modify or terminate the BMW Assist Services provided to you, without advance notice. For purposes of this section, excessive use is defined as more than 100 uses in a given month. These rights are in addition to those in the "Default and Termination" section eleven (11) below.

10. Responsibility in Emergency Situations. When our service provider receives an emergency signal from your vehicle, our service provider will attempt to determine if an emergency exists. If so deemed, the service provider will attempt to contact you and the appropriate public safety access point ("PSAP") to request assistance and may also attempt to call one of your third party emergency contacts. Neither BMW nor its service provider guarantee that the service provider will actually receive an emergency signal or call from your vehicle or that the service provider will successfully contact the appropriate emergency agency or your third party emergency contacts if it does receive an emergency signal or call, or that emergency personnel will respond to the call or locate your vehicle. Neither BMW, its service provider nor the Underlying Wireless Carrier is responsible for any failure or delay of a PSAP in responding to an emergency or for the quality of service delivered, whether the failure is the fault of BMW, the service provider, the Underlying Wireless Carrier or any other third party service provider. You release BMW, the service provider, the Underlying Wireless Carrier and any other third party service providers from all liabilities and losses (including physical injury or death) that you or others may suffer in an emergency situation.

11. Default and Termination. If you fail to timely pay any amount due under this agreement, BMW may terminate this agreement upon 10 days written notice to you. If BMW determines that you have violated the terms and conditions of this agreement and such breach impacts BMW's, the Underlying Wireless Carrier's or any other service provider's ability to service its other customers, BMW may suspend or terminate this agreement without notice as determined by BMW in its sole discretion. If you breach any other term of this agreement, BMW may terminate this agreement upon 30 days written notice to you. These rights are in addition to any others BMW may have. If BMW brings an action to enforce its rights against you, you agree to pay all reasonable costs of enforcement, including attorneys' fees. IF BMW TERMINATES THIS AGREEMENT, YOU WILL NOT BE ABLE TO ACCESS THE BMW ASSIST SERVICES, AND YOU WILL NOT BE ENTITLED TO A REFUND OR CREDIT.

12. Force Majeure. BMW and its service providers will not be responsible for the failure to provide BMW Assist Services to you if caused by any of the following: any act or omission of the Underlying Wireless Carrier or any other wireless carrier (including interruption of wireless service), or any emergency agency or any other third-party service provider or product provider; equipment failures or shortages; damage to the response center, any land or wireless communications networks or the GPS system; acts of nature, acts of God, labor strikes or war; or any other act or event that is outside of the reasonable control of BMW and its service providers. UNDER ANY OF THESE CIRCUMSTANCES, BMW MAY AT ITS OPTION SUSPEND OR TERMINATE ALL OR SOME OF THE BMW ASSIST SERVICES OR TERMINATE THIS AGREEMENT WITHOUT PRIOR NOTICE TO YOU AND WITHOUT ANY LIABILITY. MOREOVER YOU WILL NOT BE ENTITLED TO A REFUND OR CREDIT.

13. Third Party Beneficiaries. The following parties are considered intended third party beneficiaries under this agreement: BMW affiliates; the service providers and their affiliates, BMW centers and their affiliates, the Underlying Wireless Carrier and its affiliates, and any other third party service and product providers involved in delivering the Services (for example, providers of map data, traffic and routing information, concierge and other content). The disclaimer of warranties, limitations of liability, and other protections of this agreement extend to these third party beneficiaries. To the extent any of these third party beneficiaries impose further terms and conditions on providing services (for example, the end user terms covering navigation and location data), by using the BMW Assist Services, you also agree to be bound by those additional terms and conditions. A copy of any additional terms and conditions can be obtained upon request at customer care@bmwassist.com or by telephone at (888) 333-6118.

14. Disclaimer of Warranties. Your vehicle's limited warranty includes the telematics control unit in your vehicle, but does not cover the BMW Assist Services or the wireless service. NEITHER BMW, THE SERVICE PROVIDERS, THE UNDERLYING WIRELESS CARRIER, NOR ANY OTHER THIRD PARTY BENEFICIARY EXERCISE ANY CONTROL OVER OR HAS RESPONSIBILITY WHATSOEVER FOR THE CONTENT OR INFORMATION TRANSMITTED OR ACCESSIBLE THROUGH THE BMW ASSIST SERVICES. 15. Limitations of Liability.

a. The BMW Assist Services are provided to you merely as a convenience and are not intended as a substitute for insurance. You should obtain and maintain adequate insurance covering such injuries and losses. YOU AGREE TO RELEASE BMW, ITS SERVICE PROVIDERS, THE UNDERLYING WIRELESS CARRIER AND ALL OTHER THIRD PARTY BENEFICIARIES FROM ANY AND ALL CLAIMS, LIABILITIES AND LOSSES IN CONNECTION WITH THE BMW ASSIST SERVICES, INCLUDING, BUT NOT LIMITED TO CLAIMS FOR PERSONAL INJURY OR PROPERTY DAMAGE ARISING FROM THE TOTAL OR PARTIAL FAILURE OF PERFORMANCE OF THE BMW ASSIST SERVICES, EVEN IF CAUSED BY THE NEGLIGENCE OF BMW, ITS SERVICE PROVIDERS, THE UNDERLYING WIRELESS CARRIER, ANY THIRD PARTY BENEFICIARY, OR THE ERRORS OR MALFUNCTION OF THE BMW ASSIST UNIT.
