■ **Remote 3D View:** Check on your parked car no matter how far away it is. Using Remote 3D View, you can take a surround view snapshot of the imagery around your vehicle right from your iPhone.

■ **Stolen Vehicle Recovery:** If your BMW is ever stolen, call our Response Center toll-free at 1-888-333-6118 immediately after filing your police report. We can then help the police locate your vehicle. Insurance discounts may be available to you as well.

■ **BMW ConnectedDrive Store:** Purchase or extend service subscriptions that individually fit your needs, such as ARTTI or Concierge, all from the comfort of your BMW.

■ **MyInfo (Send to Car):** Enables you to send messages (including navigation destination and telephone numbers) straight to your vehicle. Then, with just a few clicks you can be on your way to your destination!

■ **Advanced Real-Time Traffic Information (ARTTI):** Streamline your trip with live traffic reports along your route as well as in the area. Easily view traffic flow and nearby events, such as construction and accidents, to always keep you connected with the roads around you.

■ **Concierge:** Want to know the best French restaurant or a four-star hotel? Talk to a friendly Response Specialist who will direct you and can even transfer the destination address and telephone number to your vehicle.

■ **BMW Online:** Keeps you up-to-date with everything you want or need to know. Using Internet-based services, BMW Online provides the latest weather forecast, top news, access to google maps, fuel prices, charging station information, and many other services.

■ **BMW Connected App:** Stay on time, in touch, and in control with the BMW Connected App. This all-in-one app helps you to avoid traffic, share arrival time with friends, and lock or unlock your BMW remotely.

■ **ParkNow:** Find a parking garage, reserve it, and pay for it all from within your vehicle. Once the selection has been made via navigation system, the driver is directed straight to the chosen parking place.

■ **On-Street Parking Information:** Alleviate the problem of searching for a parking space. On-street parking information uses real-time and historic data to figure out the probability of finding a parking space in many major cities.

■ **Apple CarPlay™ Compatibility:** Take the things you want to do with your iPhone™ while driving and put them right on your car's built-in display. Get directions, make calls, send and receive messages, and listen to music, all in a way that allows you to stay focused on the road.

■ **BMW Assist eCall:** Push the SOS button to transmit your location and vehicle information to our Response Center. We can request help on your behalf, direct you to the nearest hospital or police station, or notify emergency contacts about your situation.

■ **WiFi Hotspot:** Allow your passengers to utilize WiFi devices from inside the vehicle via a 4G LTE connection. Utilizing the vehicle's embedded telematics device and the vehicle's antenna, reception is improved versus typical standalone personal hotspot devices.

■ **Remote Door Unlock:** If you ever lock your keys in your BMW, call our Response Center toll-free at 1-888-333-6118 and we will send a signal to your driver's door to unlock it, after you provide your name and password.
