\*Dates shown above reflect model year (e.g., 2020) or initial production dates (e.g., Mar-19) when feature first became available

- Experience Modes** combine different vehicle functions in the car's interior. For example, the selection of a mode harmonizes the ambient light and seat climate control.
- Caring Car** consists of either the “Revitalize” or “Relax” programs, each 3 minutes in duration, which adjust ambient lighting, interior temperature, play appropriate music, and more.
- Automate My Habits** learns your preferences and automatically adjusts comfort functions.
- Use “Hello BMW as wake word”** allows you to request the BMW Intelligent Personal Assistant simply by saying “Hello BMW”.
- Control Climate and Seat Heating** by requesting that the BMW Intelligent Personal Assistant adjusts interior temperature or intensity of seat heating.
- Set Ambient Light** allows you to request that the BMW Intelligent Personal Assistant adjust the ambient light settings.
- Valet Mode** allows you to lock the Control Display and iDrive, for example, when your vehicle is given to a valet.

# BMW CONNECTED DRIVE.

## Notes and Disclosures to Service Availability Matrix.

<sup>1</sup>Lights Flash / Horn Blow available on 2012 and later 3 Series Sedan and ActiveHybrid 3 and 2014 and later 3 Series Sports Wagon and Gran Turismo

<sup>2</sup>Lights Flash / Horn Blow available on 2010 and later 5 Series Gran Turismo and 2011 and later 5 Series Sedan

<sup>3</sup>Advanced Real-Time Traffic Information, Weather Icons in Navigation Map, and Message Dictation available on 2013 and later ActiveHybrid 3 and 2014 and later 3 Series Sedan, Sports Wagon, and Gran Turismo

<sup>4</sup>WiFi Hotspot is not available on 2017 5 Series Gran Turismo

<sup>5</sup>Dates shown indicate when Apple CarPlay™ Compatibility was first available as a factory-installed option, or available to purchase via the ConnectedDrive Store ([www.bmwusa.com/MyBMWConnectedDrive](http://www.bmwusa.com/MyBMWConnectedDrive)). When not factory-equipped with CarPlay™ Compatibility, vehicles must be factory-equipped with Navigation Professional and either 6NW (Wireless Charging), 6NP (Enhanced USB and Bluetooth), or 6NS (Smartphone Integration / Enhanced USB and Bluetooth) in order to be eligible for purchase of CarPlay Compatibility via the ConnectedDrive Store. For vehicles with Navigation Business (e.g., option 6UN/6UP/606), CarPlay Compatibility is only available as a factory-installed option.

<sup>6</sup>X3/X4 vehicles available with Apple CarPlay™ Compatibility as a factory-installed option starting with Sep. 2016 production or available to purchase via the ConnectedDrive Store starting with Aug. 2016 production.

<sup>7</sup>On-Street Parking Information / ParkMobile not offered on 2017 and earlier 6 Series Coupe

<sup>8</sup>Digital Key Classic and Digital Key require Comfort Access (Option 322) and automatic transmission (Option 205, 2TB, or 2TE). Digital Key requires a compatible smartphone with NFC-capabilities, while Digital Key Classic is only available with the BMW KeyCard in order to use the Digital Key feature.

<sup>9</sup>Feature is available on 3 Series Sedan. It is not available 3 Series Gran Turismo.

<sup>10</sup>Except for Traffic Camera Information and Uneven Road Surface, feature is available on 2 Series Gran Coupe and MY2022 and newer 2 Series Coupe. Feature is not available on 2 Series Convertible. Traffic Camera Information and Uneven Road Surface are only available for MY2022 and newer 2 Series Coupe.

<sup>11</sup>Feature requires that the vehicle software is level 11/2019 or newer. For applicable vehicles, the software version can be checked in iDrive via “Apps > Settings > General Settings > Remote Software Upgrade”. For vehicles without Remote Software Upgrade option, the vehicle’s software level may be confirmed by your BMW Center. Please note: for vehicles which require a software update to be performed at a BMW Center, additional charges may apply. A Spotify™ Premium account is required. Spotify™ is a trademark of Spotify USA Inc. Further information on Spotify can be found at <https://www.spotify.com/us/>.

<sup>12</sup>Feature is available on 2020 X3 and X4 (except X3 M and X4 M) . It is then available on all MY2021 and later X3 and X4, including X3 M and X4 M.

<sup>13</sup>For vehicles equipped with 6U3 (Live Cockpit Professional) or 6U2 (Live Cockpit Plus), feature requires that the vehicle software is level 3/2021 or newer. For applicable vehicles, the software version can be checked in iDrive via “Apps > Settings > General Settings > Remote Software Upgrade”. For vehicles without Remote Software Upgrade option, the vehicle’s software level may be confirmed by your BMW Center. Please note: for vehicles which require a software update to be performed at a BMW Center, additional charges may apply. For vehicles not equipped with 6U3 (Live Cockpit Professional) or 6U2 (Live Cockpit Plus), feature requires that the vehicle software is level 11/2018 or newer.

<sup>14</sup>Traffic Camera Information requires that the vehicle software is level 7/2019 or newer. For applicable vehicles, the software version can be checked in iDrive via “Apps > Settings > General Settings > Remote Software Upgrade”. For vehicles without Remote Software Upgrade option, the vehicle’s software level may be confirmed by your BMW Center. Please note: for vehicles which require a software update to be performed at a BMW Center, additional charges may apply. Traffic Camera Information requires option Live Cockpit Pro (Option 6U3) on applicable vehicles.

<sup>15</sup>For MY2021, 530e/530e xDrive Sedan is compatible as of July 2020 production and X5 xDrive45e is compatible as of August 2020 production.

<sup>16</sup>Refer to [note #7](#) on page 6 for more information about Drive Recorder applicability.

<sup>17</sup>Android Auto Compatibility requires that the vehicle software is level 7/2020 or newer and vehicle is equipped with Connected Package Professional (6C4). For applicable vehicles, the software version can be checked in iDrive via “Apps > Settings > General Settings > Remote Software Upgrade”. For vehicles without Remote Software Upgrade option, the vehicle’s software level may be confirmed by your BMW Center. Please note: for vehicles which require a software update to be performed at a BMW Center, additional charges may apply.

<sup>18</sup>Refer to [note #9](#) on page 6 for more information about Remote 3D View applicability.

<sup>19</sup>For applicable vehicles, equipped with automatic transmission (Option 205, 2TB, or 2TE) and not factory-equipped with Remote Engine Start (Option 1CR), please visit the ConnectedDrive Store at [www.bmwusa.com/MyBMWConnectedDrive](http://www.bmwusa.com/MyBMWConnectedDrive), your BMW Center, or call BMW Assist at 888-333-6118 to see if this feature is available for purchase.

<sup>20</sup>Feature requires that the vehicle software is level 7/2020 or newer. For applicable vehicles, the software version can be checked in iDrive via “Apps > Settings > General Settings > Remote Software Upgrade”. For vehicles without Remote Software Upgrade option, the vehicle’s software level may be confirmed by your BMW Center. Please note: for vehicles which require a software update to be performed at a BMW Center, additional charges may apply.

<sup>4-10</sup> Please refer to “Notes and Disclosures to Service Durations and Renewal” page for additional information. Where no duration is shown above, feature is available for as long as technically supported.

# BMW CONNECTED DRIVE.

## Notes and Disclosures to Service Durations and Renewals.

<sup>1</sup>Applicable for vehicles with a BMW Assist contract completed starting September 23, 2015. For vehicles with a contract completed before September 23, 2015, the service offering will be that shown in the “2014 and later (except 2014 X6)...” column

<sup>2</sup>BMW Online and Apps / ConnectedDrive Services (6AK) must also be renewed in order to have MyInfo functionality via the ConnectedDrive portal ([www.bmwusa.com/MyBMWConnectedDrive](http://www.bmwusa.com/MyBMWConnectedDrive))

<sup>3</sup>Refer to the Service Availability Matrix for availability information about Apple CarPlay Compatibility

<sup>4</sup>Digital Key Classic and Digital Key require Comfort Access (Option 322) and automatic transmission (Option 205, 2TB, or 2TE). Digital Key requires a compatible smartphone with NFC-capabilities, while Digital Key Classic is only available with the BMW KeyCard in order to use the Digital Key feature.

<sup>5</sup>Feature requires that the vehicle software is level 11/2019 or newer. For applicable vehicles, the software version can be checked in iDrive via “Apps > Settings > General Settings > Remote Software Upgrade” . For vehicles without Remote Software Upgrade option, the vehicle’s software level may be confirmed by your BMW Center. Please note: for vehicles which require a software update to be performed at a BMW Center, additional charges may apply. For BMW Connected Music, a Spotify™ Premium account is required. Spotify™ is a trademark of Spotify USA Inc. Further information on Spotify can be found at <https://www.spotify.com/us/>.

<sup>6</sup>Requires Remote Engine Start (Option 1CR) from new, or purchased via the ConnectedDrive Store at [www.bmwusa.com/MyBMWConnectedDrive](http://www.bmwusa.com/MyBMWConnectedDrive), your BMW Center, or by calling BMW Assist at 888-333-6118.

<sup>7</sup>Requires Parking Assistant Plus (Option 5DN) and Drive Recorder (Option 6DR). For vehicles not equipped with Option 6DR from new, but equipped with Option 5DN, Drive Recorder requires that the vehicle software is level 7/2019 or newer. For applicable vehicles, the software version can be checked in iDrive via “Apps > Settings > General Settings > Remote Software Upgrade” . For vehicles without Remote Software Upgrade option, the vehicle’s software level may be confirmed by your BMW Center. Please note: for vehicles which require a software update to be performed at a BMW Center, additional charges may apply.

<sup>8</sup>Traffic Camera Information requires that the vehicle software is level 7/2019 or newer. For applicable vehicles, the software version can be checked in iDrive via “Apps > Settings > General Settings > Remote Software Upgrade” . For vehicles without Remote Software Upgrade option, the vehicle’s software level may be confirmed by your BMW Center. Please note: for vehicles which require a software update to be performed at a BMW Center, additional charges may apply.

<sup>9</sup>Remote 3D View requires Parking Assistant Plus (Option 5DN) or Side and Top View Cameras (Option 5DL). Additionally, MY2020 5 Series, X3, and X4 require vehicle software 11/2019 or newer. The software version can be checked in iDrive via “Apps > Settings > General Settings > Remote Software Upgrade” . For vehicles without Remote Software Upgrade option, the vehicle’s software level may be confirmed by your BMW Center. Please note: for vehicles which require a software update to be performed at a BMW Center, additional charges may apply.

<sup>10</sup>For vehicles equipped with 6U3 (Live Cockpit Professional) or 6U2 (Live Cockpit Plus), feature requires that the vehicle software is level 3/2021 or newer. For applicable vehicles, the software version can be checked in iDrive via “Apps > Settings > General Settings > Remote Software Upgrade” . For vehicles without Remote Software Upgrade option, the vehicle’s software level may be confirmed by your BMW Center. Please note: for vehicles which require a software update to be performed at a BMW Center, additional charges may apply. For vehicles not equipped with 6U3 (Live Cockpit Professional) or 6U2 (Live Cockpit Plus), feature requires that the vehicle software is level 11/2018 or newer.
